PROJECT MASTER ARCHITECTURE

Universal Spiritual Academy

A Dual-Portal Platform for Moral Education, Multi-Faith Wisdom, and Child Progress Tracking.

Document: System Specification & Flow **Audience:** Project Stakeholders & Developers **Version:** 1.0 (MVP)

🔄 System Architecture & Flow Diagram

🌍 Major Religions in the Curriculum

Each religion is represented with equal dignity, focusing on universally uplifting moral teachings:

Hinduism | Buddhism | Christianity | Islam | Sikhism | Jainism | Judaism

📱 Detailed Portal Workflows

👦 Student Portal (Kid-Centric)

Screen 1 (Home Page): Displays interactive world religion cards, active streaks (🔥), and virtue stars (⭐).

Screen 2 (Learning & Exam Hub):

🎬 Video Lectures

3–5 min animated lessons with auto-attendance.

📚 Moral Storybooks

Read-along flipbooks with soothing audio narration.

💡 Core Teachings

Interactive flipcards and sacred symbol explorer.

📝 Assessment & Exams

Chapter quizzes + graded exams with certificate.

👨‍👩‍👧 Parent Portal (Monitoring)

Screen 1 (Home Page): Mirror view of all religions, child profile switcher, and overall weekly stats.

Screen 2 (Progress Report Hub):

- **Lecture Attendance:** View completed vs. pending lectures (e.g., 8/10 watched).
- **Weekly Study Graph:** Daily learning minutes from Monday to Sunday.
- **Exam Scorecards:** Quiz scores, final percentage, and letter grades (A+, A, B).
- **Family Dinner Prompts:** Meaningful moral questions to discuss at home.

🚀 Implementation Roadmap

Phase	Milestone	Key Deliverables
Phase 1	Portal Shell & Navigation	Student & Parent mode switcher, responsive world religions grid, streak & star system.
Phase 2	Student Learning Hub	Interactive video player with completion trigger, flipbook story reader with audio, teaching flipcards.
Phase 3	Examination Engine	Chapter quiz mechanics, scenario-based moral dilemmas, graded final exam, and downloadable certificate.
Phase 4	Parent Analytics Suite	Lecture attendance tracker, weekly 7-day study hours chart, exam score history, and dinner prompts.
