COMPREHENSIVE PROJECT MASTER PLAN

Universal Spiritual Academy

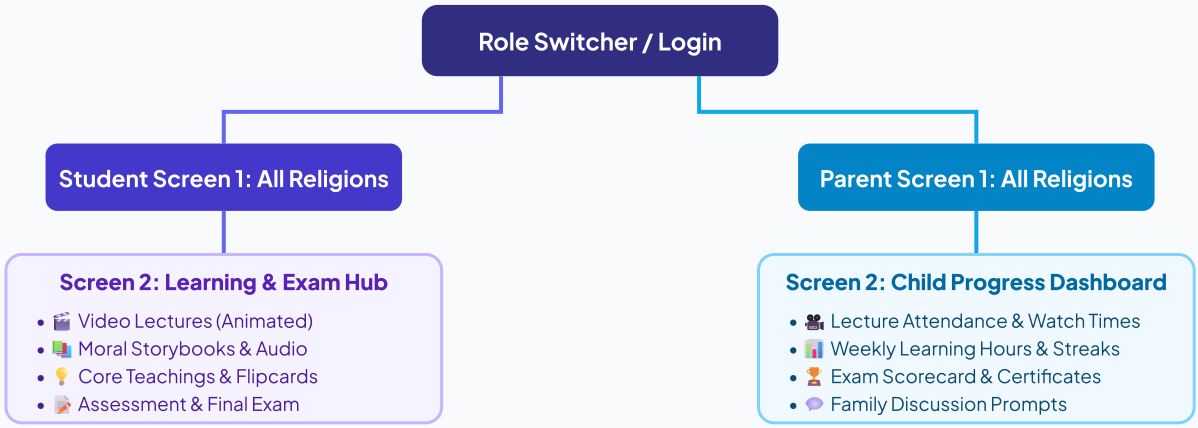

An engaging, child-friendly moral education platform introducing universal values from world religions, with an integrated parent monitoring dashboard.

Platform: Dual-Portal Web & Mobile

Audience: Kids (Ages 5–15) & Parents

Version: 1.0 (MVP Complete Specification)

🔄 1. System Architecture & Flow Diagram

👥 2. Dual Portal System & Religions Covered

The application features an instant role toggle (`Student Mode` ↔ `Parent Mode`) in the top navigation bar. Every religion is presented through universal human ethics (Kindness, Truth, Compassion, Seva):

- Hinduism (Sanatana Dharma)
- Buddhism
- Christianity
- Islam
- Sikhism
- Jainism
- Judaism

👦 3. Student Portal: Screen-by-Screen Breakdown

Screen 1 (Home Page): Welcome banner with daily moral quote, interactive world religions grid with sacred symbols & theme colors, child's active study streak (🔥), and total Virtue Stars (⭐).

Screen 2 (Dedicated Religion Learning Hub): Clicking any religion launches 5 interactive education modes:

1. 🎬 **Video Lectures (Animated Explainer Series)**
   3–5 min character-driven animated lessons covering history, masters, and values. Features play/pause, speed controls, and auto-marks "Completed" upon 90% watch time.

2. 📚 **Moral Storybooks (Read & Listen)**

Illustrated flipbook stories with step-by-step reading and soothing audio narration with peaceful ambient music for bedtime listening, ending with a 1–line moral takeaway.

3. 💡 Core Teachings & Interactive Flipcards

Interactive cards displaying principles on the front and relatable real-world kid examples on the back. Includes an interactive Sacred Symbol Explorer.

4. 🧘 Mindful Calm & Sound Zone

2–minute guided breathing bubble (inhale/exhale visual guide) paired with authentic calming sounds (Tibetan bowls, flute, harp) for peace and emotional balance.

5. 📝 Assessment & Examination Portal

Practice chapter quizzes with confetti celebrations, scenario-based ethical dilemmas ("What would you do?"), and a graded Final Exam with certificate generation.

👨‍👩‍👧 4. Parent Portal: Screen-by-Screen Breakdown

Screen 1 (Home Page): Profile switcher for multiple children, executive summary cards (Total study hours, overall average test score, active courses), and mirror grid of all religions with individual progress bars.

Screen 2 (Religion-Specific Progress Dashboard): Deep analytics per religion:

🎥 Lecture Attendance Tracker

Visual completion bar showing completed vs. pending lectures (e.g., 7/10 Completed - 70%) along with timestamps and individual video status.

📊 Weekly Learning Hours Graph

7-day bar chart displaying daily study minutes from Monday through Sunday, with a daily streak counter (🔥) to encourage consistency.

🏆 Exam Scorecards & Marks

Detailed scores for chapter quizzes and final exams, percentage grades (A+, A, B), identifying strength areas and topics needing further guidance.

💬 Family Dinner Prompts

Curated conversation starters for parents to engage with their children at home (e.g., "What did the story of Buddha teach you about showing kindness to animals?").

🎮 5. Gamification & Business Highlights

- **Virtue Points & Badges:** Children earn stars and badges for each lecture watched, story read, and quiz completed.
- **Official Certification Engine:** High scores on final exams unlock official, printable certificates of achievement.
- **Freemium Business Model:** Free introductory lesson & 1st moral story for every religion; Premium Family Pass unlocks full courses, audiobooks, certification exams, and detailed parent analytics.

🚀 6. Phased Implementation Roadmap

Phase	Milestone	Key Deliverables
Phase 1	Portal Shell & Navigation	Student & Parent mode switcher, responsive world religions grid, streak & star system.
Phase 2	Student Learning Hub	Interactive video player with completion trigger, flipbook story reader with audio, teaching flipcards & calm breathing bubble.
Phase 3	Assessment & Exam Engine	Chapter quiz mechanics, scenario-based moral dilemmas, graded final exam, and downloadable certificate.
Phase 4	Parent Analytics Suite	Lecture attendance tracker, weekly 7-day study hours chart, exam score history, and dinner prompts.
